

## Imperial County Free Library Celebrates 100 Years:

Launches search for 100 stories.

The Imperial County Free Library will be celebrating its 100<sup>th</sup> Anniversary with some special activities. The ICFL is looking for “100 Stories for 100 Years” and asking current and former users to provide stories of their fondly-remembered interactions with the Library over the years.

Stories, in English or Spanish, should be typed and be brief, about 500 words or less if possible. They can be submitted to the staff of the County Library at any ICFL branch: Calipatria, Heber, Holtville or Salton City. In the alternative, stories can be mailed to the County Librarian, ICFL, 1125 W. Main Street, El Centro, CA or submitted online at [imperialcountylibrary@co.imperial.ca.us](mailto:imperialcountylibrary@co.imperial.ca.us). They should include the writer’s name and address, as well as written permission to duplicate the story. All entries are due in by Friday, February 3, 2012. Two or three entrants will be asked to share their stories at a meeting of the Board of Supervisors. 100 entries will be gathered into a booklet, which will be available at the branches and online after February 15, 2012.

A schedule of events planned for the anniversary will be shown on the County Library website at <http://co.imperial.ca.us/library> in February.
