Subject: Department of Fish and Game Annual Fee Increase effective January 1, 2010

Re: CEQA Filing fees

To: Information for Affected agencies

The Department of Fish & Game has conducted an annual fee review and has increased filing fees pursuant to Fish and Game Code Section 713.

The County Clerk collects any applicable filing fees for Fish and Game/CEQA at the time a Notice of Determination/ EIR is filed with the County Clerk for projects with local lead agencies. The project proponent is responsible for payment of fees.

The table below contains the 2009 CEQA filing fees, and the fees that become effective on January 1, 2010. Annual filing fees are also posted on the Department of Fish & Game website www.dfg.ca.gov prior to the year they become effective.

As an agency who frequently files Notices of Determination and/or Notices of Exemption to the County Clerk's Office, I wanted to make sure you were aware of fee increases for filing EIR documents **EFFECTIVE January 1, 2010**. The County Clerk processing fee will remain the same, \$50.00.

CEQA Document	2009 Filing Fee	Fee Effective January 1, 2010
Negative Declaration (ND)	\$1,993.00	\$2,010.25
Mitigated Negative Declaration (MND)	\$1,993.00	\$2,010.25
Environmental Impact Report (EIR)	\$2,768.25	\$2,792.25
Environmental Document pursuant to a Certified Regulatory Program (CRP)	\$941.25	\$949.50
County Clerk Processing Fee	\$50.00	\$50.00

Please share this information with anyone in your organization who may file NOD/EIR County Clerk's Office for processing.

Thank you,

Dolores Provencio
County Clerk / Recorder
