The provider network constantly expands and changes. We cannot guarantee listed healthcare providers will be participating in your network at the time rendered. It is your responsibility to verify your healthcare provider's membership by calling your Managed Care Network and by confirming participation with you at the time of appointment. To obtain the phone number of your Managed Care click here: <https://www.principal.com/partners/providers/ppomap.htm>

You've requested a provider in the Principal POS Plan. A POS design incorporates benefits levels - EPO, PPO and non-network. The benefit received is determined point of service depending on the provider used for care. Through our network relationships we have **18 EPO provider(s) and 30 PPO providers (all EPO providers are contracted as a PPO provider so they are not listed PPO provider listing) available in the location requested.**

 Some employer dental insurance plans do not provide coverage for services performed. However, if your coverage with Principal is a PP plan, you may be eligible to receive discounts on non-covered services from providers with this symbol by their name. They have partnered with us to negotiate a fee on non-covered services which is typically less than their no
