

NurseHelp 24/7

Immediate answers to your health questions

Think you might be coming down with the flu? Need to know how to treat a sprained ankle? Wondering whether to see a doctor about that persistent sore throat?

Call NurseHelp 24/7SM toll-free to talk with a registered nurse anytime you have health-related questions.* Experienced nurses can help you figure out what's ailing you, evaluate treatment options, determine whether to see a doctor, and more. All for no extra charge.

Get immediate answers and reliable information about:

- Minor illnesses and injuries
- Chronic conditions
- Medical tests and medications
- Preventive care

You can use this convenient service whenever you need it. Just call **(866) 543-3728**, option 1, to talk to a nurse anytime, day or night.

Ouch, you stub your big toe and it swells. You call NurseHelp 24/7 and the nurse gives you in-home treatment options. So you're back on your feet in no time, without a trip to the doctor.

It's 2 a.m. and you're wide awake with an upset stomach. You call NurseHelp 24/7 for tips on how to feel better, and soon you're sleeping like a baby.

Your son wakes up with a bad earache. You call NurseHelp 24/7 and describe his symptoms, and the nurse says he should see a physician immediately. You rush to the doctor and are able to prevent lasting damage to your son's hearing.

*If you believe you need emergency care, call 911 or go directly to the nearest emergency room.
