

RULE 212 ANNUAL RENEWAL
(Adopted 11/19/85; Revised 9/14/99)

A permit issued pursuant to these Rules is good for the calendar year for which it is issued. If the article, machine, Equipment or contrivance for which a permit is issued is to continue in use or operation, a new permit must be issued for each calendar year, or part thereof, during which said article is in operation.
